Robin Hood Multi Academy Trust has a strong history of being at the cutting edge of the ever changing world of education. We believe in innovation, creativity and taking risks in education. Within each academy we have a growth mindset philosophy and our children and staff have a strong moral purpose, they are prepared to push the boundaries of what is possible. Education is so much more than Maths and English and within our academies we promote independent learning, mastery in all subjects and the love of the arts.

We now have some exciting career opportunities for experienced teachers and NQTs alike across the MAT.

So if you are a teacher who has a passion for thinking outside of the box, taking risks and pushing the boundaries in education, then we would love to hear from you. We want people to apply who are child centred, reflective, passionate and have real potential. If you fit this criteria then we would love you to visit us in order to gain an understanding of how we operate and meet our friendly staff.

The successful candidates will receive the highest level of professional development, from a team of like-minded, vibrant, self-motivated and adventurous colleagues across both settings.

Application packs available from the school office: please contact j.barber@cedarsacademy.org or call on 0121 464 3178 to arrange an informal visit. Packs can also be downloaded from the Cedars Academy website:
